

Dear Colleagues,

It is our great pleasure to invite you to the 3rd edition of **IBDNET TALKS**, a training curriculum for Swiss gastroenterology and hepatology fellows or experienced clinicians who want to refresh their knowledge.

3rd **IBDNET TALKS** performs four training modules, consisting of state of the art lectures and interactive case-discussions. Each module is broadcasted through interactive teleconference into nine centres throughout Switzerland. In 2019 we'll also be able to offer the possibility to participate in the respective talks using your own device.

You have the possibility to register for each module individually, which enables participants to access the training module slides and receiving the respective certificate of attendance and SGG core credit points.

We are looking forward to an interesting curriculum of talks throughout many centres in Switzerland.

Yours faithfully,

Michel Maillard
Gastroentérologie Beaulieu SA

Pascal Juillerat
Inselspital Bern

ORGANISER

IBDNET TALKS is organised by PD Dr. med. Michel Maillard (Gastroentérologie Beaulieu SA) and PD Dr. med. Pascal Juillerat (Inselspital Bern) under the patronage of the IBDnet.

Pascal Frei

THE LECTURES WILL BE BROADCASTED BY INTERACTIVE VIDEO-CONFERRING TO THE PARTICIPATING CENTRES.

The videoconference locations within the respective centers will be displayed on the IBDnet website (www.ibdnet.ch/education.html).

TARGET AUDIENCE & PARTICIPATING CENTRES

IBDNET TALKS offers a continuous educational program for fellows in gastroenterology- and hepatology-oriented departments or for experienced clinicians who want to refresh their knowledge.

The lectures will be broadcasted by interactive videoconferencing to the participating centres. If you prefer to participate independently (without the possibility to actively interact), please visit www.ibdnet.ch to get further login- and participation details.

REGISTRATION, CERTIFICATE & CREDIT POINTS

We kindly ask you to register for participation for every single module on www.ibdnet.ch/education.html. Registration will enable participants to access the training module slides and receiving the respective certificate of attendance and SGG core credit points. **SGG core credits: 1**

We cordially thank the sponsors for their generous support.
