

# Curriculum Vitae

## Beat Gloor, MD, Prof. of GI surgery

### 1 Personal data

Name/First name Gloor, Beat

### 2 Professional career

1987	Kantonsspital Winterthur; Pathologie	Resident
1988-1990	Kantonales Spital Altstätten /SG; Chirurgie und Orthopädie	Resident
1991	Kantonsspital Frauenfeld; Allgemeine-, Gefäss- und Unfallchirurgie	Resident
1991	Regionalspital Herisau, Allgemeine- und Unfallchirurgie	Senior resident
1992	Kantonsspital Frauenfeld; Allgemeine-, Gefäss- und Unfallchirurgie	Registrar
1993-1995	Kantonsspital Luzern; Allgemeine-, Gefäss- und Unfallchirurgie	Senior registrar
1996/1997	Department of Gastrointestinal Surgery; University of California at Los Angeles (UCLA) (davon während 18 Monaten Stipendium des Schweizerischen Nationalfonds für angehende Forscher)	Research fellow
02-06/1998	Universität Bern, Inselspital, Klinik für Viszerale und Transplantationschirurgie	Senior resident
07/1998	Universität Bern, Inselspital, Klinik für Viszerale und Transplantationschirurgie	Senior registrar
10/2001	Universität Bern, Inselspital, Klinik für Viszerale und Transplantationschirurgie	Consultant
04/2003 to 04/2011	Universität Bern, Inselspital, Klinik für Viszerale und Transplantationschirurgie (since July 1, 2008 new name and organization: Universitätsklinik für Viszerale Chirurgie und Medizin)	Senior consultant
Since 05/2011	Universität Bern, Inselspital, Universitätsklinik für Viszerale Chirurgie und Medizin	Chief staff surgeon

### 3 Academic career

1980-1986	Medical school, University Zürich	
1986	Medical faculty University Zürich	<i>Staatsexamen</i>
1988	Medical faculty University Zürich	MD thesis
1994	Swiss society for Surgery	Board certified
12/2001	Medical faculty University Bern	Lecturer ( <i>Venia docendi</i> ) for Surgery
2003	Swiss society for visceral Surgery	Excellence in visceral surgery
8/2007	Medical faculty University Bern	Associated Professor of Surgery

### 4 Member of Consensus Conferences / co-author of guidelines

- 2004 - International consensus conference on the management of the critically ill patient with severe acute pancreatitis, published 2004  
*Crit Care Med.* 2004 Dec;32(12):2524-36. Review.
- 2010 - German S3-Consensus guidelines on definition, etiology, diagnosis and medical, endoscopic and surgical management of chronic pancreatitis German Society of Digestive and Metabolic Diseases (DGVS), published 2012  
*Gastroenterol.* 2012 Nov;50(11):1176-224
- 2012 - International consensus: Determinant-based classification of acute pancreatitis severity. International multidisciplinary classification of acute pancreatitis severity: the 2013 German edition, published 2013  
*Gastroenterol.* 2013 Jun;51(6):544-50.
- 2013 - International consensus meeting on branch duct IPMN, published 2016  
Pathologic Evaluation and Reporting of Intraductal Papillary Mucinous Neoplasms of the Pancreas and Other Tumoral Intraepithelial Neoplasms of Pancreatobiliary Tract: Recommendations of Verona Consensus Meeting. *Ann Surg.* 2016 Jan;263(1):162-77.
- 2016 - 3rd St. Gallen EORTC Gastrointestinal Cancer Conference: Consensus recommendations on controversial issues in the primary treatment of pancreatic cancer, published 2017.  
*Eur J Cancer.* 2017 Jul;79:41-49.
- 2018/2019 - German S3 guideline on acute and chronic pancreatitis, ongoing

### 5 Lectures at international meetings (extract of some important lectures)

- United European Gastroenterology Week, Stockholm Sweden, 22. - 26.10.2011  
Chairman session on chronic pancreatitis (23.10.2011)
- United European Gastroenterology, Summer school for Gastroenterology, Prague June 7-10, 2012, Management of a pancreatic mass
- United European Gastroenterology Week, Amsterdam, The Netherlands, 20. - 24.10.2012  
Course director postgraduate course session Management of pancreatic and biliary cancer (20.10.2012)

- United European Gastroenterology Week, Amsterdam, The Netherlands, 20. - 24.10.2012  
Chair clinical case session: Gastroenterology and hepatology: upper GI (22.10.2012)
- United European Gastroenterology Week, Amsterdam, The Netherlands, 20. - 24.10.2012  
Chair lunch session: Adenoma of the papilla vateri: Endoscopic therapy / Surgical therapy (22.10.2012)
- United European Gastroenterology Week, Amsterdam, The Netherlands, 20. - 24.10.2012  
Chair lunch session: Management of pancreatic collections (23.10.2012)
- Expert participant at the international Consensus conference on Branch duct IPMN, Garda, Verona, Italy, April.22 and 23, 2013
- United European Gastroenterology Week, Oct. 12 – 16, 2013 Berlin, Germany.  
Timing of minimal invasive surgery in acute necrotizing pancreatitis.
- European Federation of the International Society of Digestive Surgery. Cluj, Romania, October 30/31, 2014  
Cancer of the oesophagus and esophagogastric junction: classification and treatment update.
- Deutscher Pankreasclub, Rostock, Germany, Jan 22/23, 2015  
Minimal invasive necrosectomy in severe acute pancreatitis
- European Digestive Surgery, International postgraduate course, Riga, Latvia, Mai 14-16, 2015  
Video session:Laparoscopic liver resection
- United European Gastroenterology Week, Oct. 25 – 28, 2015 Barcelona, Spain.  
Preoperative management of esophageal obstruction

## 6 Memberships / Awards / Editorial work

1. Swiss Society of Surgery (SGC)1994
- 2.. European Digestive Surgery (EDS; 1999)
3. Society for Surgery of the Alimentary Tract (SSAT; 1999)
4. Swiss Society for Visceral Surgery (SGVC 2000)
5. Swiss Association for Laparoscopic and Thoracoscopic Surgery (2001)
6. Council member European Digestive Surgery EDS (2009-) President of the scientific committee 1/2010 – 12/2012.
7. Member scientific committee United European Gastroenterology ueg 12/2009 – 6/2013.

### Scientific awards

- Mai G, Gloor B, Uhl W, Muller CA, Tcholakov O, Büchler MW. Routine antibiotic prophylaxis in necrotizing pancreatitis increased gram-positive infections. Digestion 1999; 60:389.European Pancreas Club Award in Clinical Pancreatic Science 1999; Lüneburg, Germany
- Gloor B, Angst E, Wagner MM, Candinas D. Surgical technique of laparoscopic transgastric pancreatico-gastrostomy in severe acute pancreatitis. Videopreis der Schweizerischen Gesellschaft für Viszeralchirurgie 2007

- Kurmann A, Kolb W, Clerici T, Brändle M, Forrer F, Wild D, Reubi JC, Christ E, Gloor B. Glucagon-like Peptide 1 (GLP-1) receptor scintigraphy - a novel localization technique for insulinomas pre- and intraoperatively Felix-Largiader Preis der Schweiz. Gesellschaft für Viszeralchirurgie 2010
- Angst E, Kim C, Kaderli R, Gloor B, Candinas D, Reber HA, Eibl G, Hines OJ. Orally bioavailable quercetin is effective as single and adjunct treatment for pancreatic cancer in vitro and in vivo. Swiss Surgical Society Meeting 2010 Association for Research in Surgery Prize: Best oral presentation
- **Associate Editor** Journal *Digestive Surgery* since 2011
- **Editorial board member and reviewer** for the journal *Patient Safety in Surgery* since 2007

## 7 Selected - Publications

For full list of publications see: <https://www.ncbi.nlm.nih.gov/pubmed/?term=Gloor+B>

### Pancreatic tumors

Integrated genomic and immunophenotypic classification of pancreatic cancer reveals three distinct subtypes with prognostic/predictive significance. Wartenberg M, Cibin S, Zlobec I, Vassella E, Eppenberger-Castori SMM, Terracciano L, Eichmann M, Worni M, Gloor B, Perren A, Karamitopoulou E. Clin Cancer Res. 2018 Apr 16.

Chirurgische und Interventionelle Behandlungsmöglichkeiten beim Adenokarzinom des Pankreas. Worni M, Gloor B. Ther Umsch. 2016 Nov;73(9):505-510. Review

Concomitant vascular reconstruction during pancreatectomy for malignant disease: a propensity score-adjusted, population-based trend analysis involving 10,206 patients. Worni M, Castleberry AW, Clary BM, Gloor B, Carvalho E, Jacobs DO, Pietrobon R, Scarborough JE, White RR. JAMA Surg. 2013 Apr;148(4):331-8.

Preoperative Glucagon-like peptide-1 receptor imaging reduces surgical trauma and pancreatic tissue loss in insulinoma patients: a report of three cases. Wenning AS, Kirchner P, Antwi K, Fani M, Wild D, Christ E, Gloor B. Patient Saf Surg. 2015 Jun 2;9:23.

### Gastric cancer

Selective survival advantage associated with primary tumor resection for metastatic gastric cancer in a Western population. Warschkow R, Baechtold M, Leung K, Schmied BM, Nussbaum DP, Gloor B, Blazer Iii DG, Worni M. Gastric Cancer. 2018 Mar;21(2):324-337

### Surgical techniques

How do we apply video-assisted retroperitoneal necrosectomy with minimal access? Wenning AS, Angst E, Lechleiter A, Brugger JJ, Candinas D, Gloor B. Dig Surg. 2012;29(6):475-6

A modified technique of the Beger and Frey procedure in patients with chronic pancreatitis. Gloor B, Friess H, Uhl W, Büchler MW. Dig Surg. 2001;18(1):21-5
